## Project Description

1. Describe the project. What was done, when, and where did project activities take place?  
 After assessing the condition of the Eagle River Boys & Girls Club and meeting with the Program Manager last summer we developed a list of projects that needed to be done. Throughout the course of the year, we worked on these projects. We built a deck outside along with picnic tables to go on it. We repaired a toilet and replaced a mirror that was broken. We replaced worn out basketball hoops with new ones. We pulled out old cabinets so Lowe's could install new ones. We assisted in some needed maintenance of the facility by cleaning and painting. All of this was done by club members, their family members and also the Eagle River Interact Club.
