Dear *NAME*:

The Rotary Club of Anthem has great news to help you out financially. We recently received a onetime Scholarship Augmentation Grant from Rotary District 5490 that specifically benefits our 2014-2015 Rotary Club of Anthem Scholarship recipients.

We will increase your scholarship \$500.00 for the 2015 spring semester. ***All you have to do is send (or have your university send) the Verification of Enrollment form for the 2015 spring semester to us as soon as possible.*** When we receive that form, our club treasurer will send your university the final check for \$1,000.00 instead of the \$500.00 originally planned.

Please acknowledge your receipt of this notification letter by telephone call or e-mail to me:
