Project Title: Dictionaries for 3rd Grade Students in Peoria School District

Progress Report     Final Report

**Project Description**

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

All of Peoria School District 3rd grade students received dictionaries that they could keep. Rotarians went to each classroom and instructed the students on how the dictionary can be used. The student benefits the most by the use of this book.

2. How many Rotarians participated in the project?      45

3. What did they do? Please give at least two examples.

The Rotarians walked the students through the dictionary and explained different areas in the book. After this explanation the students were given a word to look up and to give the meaning of the word, if it is a verb, noun, or something else.

4. How many non-Rotarians benefited from this project?    2076

5. What are the expected long-term community impacts of the project?

The students benefited the most by having a book that they could keep at school or take home and use. The dictionary can be used as the student moved up in grade levels. It has more than just definitions. Sign language, the longest word in the English language and many other features that can be use.

6. If a cooperating organization was involved, what was its role?

N/A
