

August 30, 2011

Dear Mr. Goulet,

On behalf of the National City Police Department, I would like to request a much needed donation of school supplies for the elementary schools within the City of National City. As you are well aware, the school system had been hit hard by the financial woes of the State. The National City Police Department is looking for assistance to help out our young community member's advance their education by supplying them with basic material needed to complete class work.

Each year the National City Police Department continues to advance its mission of giving back to the community by providing what we can in time of hardship to members of our community. Through these programs, we have seen many lives changed for the better and it could not be accomplished without your generous assistance. The goal of the National City Police Department is to continue to make a difference in the community. With the help of donations from supporters such as the Rotary Club we will continue to see improvements.

Any donations you could make it is tax deductible and you may use the National City Public Safety Foundation tax ID# 56-2609133.

Thanks again for your generous support of our efforts to bring about a positive change within our community of National City.

Sincerely,

Officer Angela Chelius  
National City Police Department
