Subject: RE: Donation for School Supplies
Good Morning,

I am a School Resource Officer for the National City Police Department. Every year we try to raise money to buy school supplies for the elementary schools here in National City. If at all possible I would like to send you a letter of request for donation from the Rotary Club here in National City. If that is possible could I please get the contact information to whom I would need to send the letter to and if there is a process I would need to take to request a donation. Thank you very much for time.

Thank you again,

Angela Chelius
