Hi Mahmoud,

Actually tomorrow at 11 would be great. We will have a second grade class here on a field trip so you will be able to see the Sea Base "in action". I look forward to meeting you.

Hi Diana,
Would tomorrow, Tuesday at 11 AM be a good time to visit your facilities?, I am open all morning or Wednesday?

Thank you for your quick response, Mahmoud! After speaking with Jack Nguyen, our Program Director, I believe we will be able to get you the proposal by the end of next week. In addition, we would like to invite you here to see our facility and to chat a bit further about what you are doing and how best we can meet your expectations.

Have a great weekend!

Hi Diana,

I discussed the proposed trip that we talked about this morning with the Principal of Hoover school (Mr. Richard Valle) and we agree it would benefit all to work with Sea Base this year, if possible. Accordingly we would like you to submit to our Rotary Club using my e-mail a program for a one day (Week Day) field trip for 50 third or fourth graders and accompanying about 6 adults including the program details and learning advantages emphasizing where it fits with school curriculums and all associated costs. We will need this proposal by May 5th to get approval from all involved and submit to Rotary District to obtain funds (deadline for submission is 5/15). If you have any questions please contact me. Thank you for your assistance
