Rotary Club: Grand Island Rotary

Project Title: Backpacks for Hungry Kids

Progress report Final report

Project Description

1. Describe the project. What was done, when, and where did project activities take place? If this is a progress report, what remains to be done?

Back in August of 2014 our club decided to support 100 needy families and kids in the Grand Island Public School system. The backpacks are filled with food items from the Salvation Army food bank. The backpacks ensure that that kids do not go hungry.

2. How many people benefited from this project? 100

3. Who were the beneficiaries, how were they impacted by this project, and what humanitarian need was met?
100 kids who normally are going hungry will receive a backpack each week with food items.

4. How many Rotarians participated in the project? 10

5. What did they do? Please give at least two examples, not including financial support provided to the project.
We purchased the backpacks which cost \$714.12 and then had T-Shirt Engineers personalize them with Rotary International logo. Total project costs were around \$1,300.00. The club fully endorsed the project. However directly 10 Rotarians helped in the process from approval of the project, to selection of the bags, to running around Grand Island, to preparing or organizing the project, to completion of required reporting.

6. If a cooperating organization was involved, what was its role?
Grand Island Public Schools selected the kids in need and handed out the backpacks – Grand Island Salvation Army Food Bank sold us the backpacks and provided the food items, and District help fund this project.
