December 9, 2014

Minden Rotary Club
% Tom Barnes
441 West Lexington St.
Minden, NE 68959

Dear Minden Rotary Club,

Mission II Haiti would like to thank you for supporting our mission in providing clean water to the people of northern Haiti. Your check for \$1,000.00 received on December 9, 2014 is appreciated. This is a life-giving donation that will help provide water to the Cap Haitien area of Haiti. With a donation of this amount, it will qualify your organization to sponsor three wells in Haiti. When a well is sponsored we stencil their name on the pump and plot it on a GPS. Upon completion of the well, a picture is taken of the well and sent to the donor, along with the GPS coordinates. By using these coordinates you can go on Google Earth and locate your well in Haiti. Your wells will be named "Minden Rotary 1", "Minden Rotary 2", and "Minden Rotary 3".

Nine volunteers will leave on January 5, 2015 for the next mission trip. There will be four from Hastings, three from Minden (including Rotarian Ron Brewer and Rotarian Dick Phillips), and two from Kearney. It is exciting that we can now fly directly into Cap Haitien. We have heard the donated pickup that was shipped to Haiti the last of October, as well as the supplies that were loaded in the pickup, have arrived in Cap Haitien and are out of customs. Our well supply order that was shipped from India has not arrived in Haiti yet.

Haiti is a country with many needs but the people are very appreciative. One out of five babies do not reach the age of five, and most of this is because of the lack of clean, safe drinking water. We appreciate your support of our mission.

God bless you for your dedication to the Haitians and Mission II Haiti. Galatians 5:31b "...but through love serve one another." Your servant hearts shine through your service to helping others.

Sincerely,

Mission II Haiti
