Project Title:	Blankets for Kids		
Progress Report: (Do Within 12 months of grant approval)		Project Completion Date:	June 5, 2014

1. Describe your project. What was done, when and where did the project activities take place. If this is a progress report, what remains to be done?

**The project began as a service project to be done by Rotarians and spouses at the D5400 Conference, involving the braiding of fringed ends of fleece blankets to be given to needy children in the district. It was expanded to include braiding fabric jump ropes for needy Peruvian children and the planting of memorial trees in Ketchum's Rotary Park**

2. Who were the beneficiaries, how were they impacted, how many were impacted by this project and what humanitarian needs were met?

100 Peruvian children received a jump rope, distributed by the LDS Humanitarian Distribution Center (who also donated the fabric for them). Fifty children in the Nampa area received a blanket. All community members in Ketchum will benefit from new trees to provide shade in Ketchum's Rotary Park

3. How many Rotarians participated in the project and what did they do? Please give at least two examples, not including the financial support provided to the project.

Ten members of the Nampa Rotary Club met prior to the conference to cut blankets to size and to fringe the edges for braiding. About 15 Rotarians and spouses braided the blanket fringe at the conference in addition to braiding the jump ropes. Eight Rotarians met at Rotary Park Saturday afternoon of the conference to dig holes for and plant two trees in memory of PDG Richard C. Fields and PADG Maureen Barry.

4. If a cooperating organization is involved, what is it's role?

The LDS Humanitarian Distribution Center donated supplies for the jump ropes.
