

Club Project

AHRC is a proud sponsor of the Every 15 Minutes Program, which was held on April 24 at Canyon High School.

The Every 15 Minutes Program is an emotionally charged program, designed to challenge students to think about the potentially dangerous consequences of drinking alcohol and texting while driving. With the help of the Anaheim Fire and Police Departments, a highly realistic re-enactment of the activities following a fatal car accident is played out in front of students, their parents, teachers, and community members.

This year's event was very special to AHRC members, as Samantha Abrams, daughter of Orin Abrams, was selected to play the role of one of the accident's victims.
