Hi Tom, our finance meeting will just be the people on your list if they are able to make it. Sometimes Derek has golf so he may not be there. Mike will be there. Please write that check for Tanya. It's part of the district grant we got. Thanks, Sloan

Subject: Finance Questions

Hi Sloan

A couple of quick finance questions.

#1) You mentioned a finance meeting after our meeting Wednesday. Are you going to invite everyone there to attend if they wish or just the selected few on the committee, (me, you, Mike, John and Derek). I'm asking because I want to know how many copies I should make.

#2) Tanya's attached email asked for a check for \$549 for the Boys & Girls Clubs holiday party. I've got no problem writing the check but didn't see a response from you and just wanted to make sure you were okay with it too.

Thanks,

TR

Subj: Boys & Girls Club holiday party

Hi guys,

For the Santa room we plan on giving out candy canes, 12 packs of colored pencils & sharpener and a choice of crayons or marker pack. I'm going to be able to pull this off for the money budgeted. We are buying the items from Dollar Tree and no one store has enough. So, we have hit three so far and are still 150 items short – but we're on it. The same colored pencil pack at target is \$1.93 so it's worth the journey.

Candy canes were \$52

Pencils are \$1.08 each as are the crayons or markers = \$497

Can you write a check to BGCHV for \$549 and we call it even?
