

District Grant Report

Rotary Club: Monarch Beach Sunrise

Project Title: Vocational Day

Progress Report Final Report

- Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?
Over 140 students packed the ballroom at the Laguna Cliffs Marriott where they spent the morning hearing from three incredible speakers, enjoying a wonderful breakfast, participating in a fun raffle and discussing the value of planning for their futures!
The morning was kicked off with a welcome by President, John Coffman who laid the groundwork for the day. The format this year was one of presentation, participation and inspiration. The students heard some incredible life changing messages from panelists Jim Madrid, Founder and CEO of Advance Technology; Tina Aldatz, Entrepreneur, Founder and CEO of Foot Petals and Leigh Steinberg, one of the most influential sports agents in the business.
The morning ended with a powerful Q & A with all three speakers! The students were surveyed after the morning and without a doubt, the new format was an overwhelming success!
- How many Rotarians participated in the project? **40**
- What did they do? Please give at least two examples.
Planning and organization. Members on Vocational Day sat at different tables to talk with students to help give guidance during the breakfast.
- How many non-Rotarians benefited from this project?
140 High School Seniors.
- What are the expected long-term community impacts of the project?
The students had a day of counseling that will help them prepare for college and life.
- If a cooperating organization was involved, what was its role?
The local School District provided busses one from Dana Hills High School and one from Aliso Niguel High School.
