To whom it may concern:

Mr. Bahauddin Baha Son of Aftabuddin is completing his academic studies at Spinghar Institute of Higher Education in July 2014 and hopes to do his last year (house job) in India. He has successfully completed 6 years in medical school, 3 years in basic science and preclinical subjects and 3 years in clinical subjects. He is among the bright students of the institute, during this time he has shown good ability in learning medicine. He is highly motivated as shown by his two times recognition by the institute.

Mr. Bahauddin shows particular aptitude in learning medicine. He has strengths in the areas of medical science and has excellent command of English Language which makes him a favorite candidate for house job abroad.

We have enjoyed having Bahauddin in our institute. He is a very polite and friendly student. He worked enthusiastically with other classmates in achieving learning through classroom activities.

Spinghar Institute would ask that you kindly assist Mr. Bahauddin for any further study. We here at the Spinghar Institute of Higher Education suspect that this talented person will go a long way. Respectfully yours,

Dr. Khair Muhammad Mohmand.
