

Hogar Infantil – Rotary District Matching Grant Project P-67 Status Update

Respectfully Submitted: May 1, 2012

Due to supplier issues in procuring refurbished washing machines in Mexico, a delay has occurred in obtaining said washers. Because obtaining high quality refurbished washers is the ultimate goal that will serve Hogar Infantil for years to come, grant sponsors at the Del Mar Rotary Club have agreed to let Hogar Infantil continue to try to obtain them for a little bit longer. This said, sponsors have been pushing strongly for a resolution to include contact with the suppliers to urge a more timely response.
