Burleson Area Midday Rotary Club,

We would like to thank you for your generous grant in the amount of \$3000.00 last fall. It is great to partner with an organization that is so involved within our community and helping people. It aligns with the heartbeat of Crazy8 Ministries.

You will be delighted to know that the money was used toward educational needs for our families in the shelter throughout the 2014/15 school year. We had several elementary kids who were in need of school uniforms, school supplies and various needs for extra curricular activities such as sports, band and choir. We also helped our teens with any homework expenses throughout the year. But most exciting were the 3 ladies that we were able help in their educational advancement as well. One lady renewed her medical license online one attended the Hill College Automotive Program and one the Hill College Liberal Arts Program. The grant helped pay for their books, supplies, gas, and childcare, along with other various needs, such as tools and a laptop computer. I am excited to announce that both these ladies are graduating this summer, and the one with the medical license has since moved out and is thriving on her own here in Burleson.

We believe in the importance of empowering the ladies we work with by offering them opportunities in education advancement. It is only because of the generosity of organizations such as the Burleson Area Midday Rotary Club that we are able to continue on our mission in helping others.

One again, we thank you!
