

SDVLP'S WOMEN'S RESOURCE FAIR

Empowering Women in Need

San Diego Volunteer Lawyer Program and the Women's Resource Fair Task Force would like to thank the donors to SDVLP's 26th Annual Women's Resource Fair, held Saturday, February 28, 2015. Approximately 500 women and children accessed empowering resources and services at this year's event. The Fair would not be possible without the generous support of our donors!
