GENERATE HOPE
Empowering and Restoring Lives

La Mesa Sunrise Rotary Club Foundation
PO Box 3277
La Mesa, CA 91944

Dear Rotary Friends,

March 31, 2015

It is a pleasure to report back to you in regard to the \$12,000 grant awarded to GenerateHope in October of 2014. These funds were used to pay our rent for the months of January, February and part of March 2015, a foundational need for our program to exist. Without such support from groups like yours we literally couldn't do the work that we do. These funds helped us to provide housing and necessary services to young women who have been sex trafficked so that they are able to get back on their feet, support themselves and eventually thrive independently.

We also used a portion of the funds for our credentialed teacher's salary during the same months. This allowed us to provide our young women with classes such as writing, literature, study skills, math, critical thinking and environmental science. This education assists our young women as they progress toward their high school diploma or prepare for college. Of course education is also quite necessary as they move toward independence.

Attached please find copies of check stubs to substantiate these costs. Should you require anything else from us please do let me know and we will be happy to follow up.

Thank you again for supporting our work with trafficked young women.

Sincerely,

Susan Munsey, LCSW
