

District Grant Report

Rotary Club: San Clemente Sunrise Rotary Club

Project Title: Rancho Sordo Mudo for 2014-2015 year

Progress Report Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

In addition to the matching grant monies, we used our own club contributions to purchase supplies and pay bills needed for the start of the school semester. We traveled to the school in September of this year to pay a number of the bills directly to utilities for the school. We also purchased food at Costco in Mexico for the staff and returning students, as well as classroom supplies. We will be making another trip down in January for our annual Christmas Party in January for the children. All funding for this activity comes out of club funds and member donations and is not part of the District Grant monies received. Our club participation is 100% in this project. All receipts are attached.

2. How many Rotarians participated in the project?
 30

3. What did they do? Please give at least two examples.
 Collected food and supplies to take to school.
 Paid utility bills to utility companies so school could cook food and have lighting in the classrooms for the children and staff.

4. How many non-Rotarians benefited from this project?
 Approximately 75

5. What are the expected long-term community impacts of the project?
 RSM is the only free school for deaf children in Mexico. Not only do many children learn how to communicate for the first time when they come to school, they also learn basic education and trade skills to allow them to earn a living when they graduate from the school's program.

6. If a cooperating organization was involved, what was its role?
 We contacted the local Rotary club and they offered assistance if needed. They will join us at our Christmas in January Party and help put on the party for the kids and staff.
