

**Tustin/Santa Ana Rotary Club
District 5320
District Grant – High School Scholarships
Year: 2014-15**

Addendum to Project P-702

Disbursements for this project will be made in the following manner:

In the past we have disbursed scholarships directly to the students at the high schools involved. For the 2014-15 fiscal year scholarship winners will provide the Tustin Santa Ana Rotary Club with the University or college that they will be attending along with student ID number. The disbursement will be made directly to the financial aid office at each university or college on the student's behalf.

The students will provide us with this information and all disbursements will be made prior to June 30, 2015.

No disbursements will be made until the student has provided the club with this information.
