**Addendum to Project P-703 – Continuation High School
Students of the Quarter Scholarships**

Disbursements for this project will be made in the following manner:

In the past we have disbursed scholarships directly to the students at the Continuation High Schools. For 2014-15 fiscal year quarterly scholarships winners will provide the Tustin Santa Ana Rotary Club with the college they will be attending along with student ID number. The disbursement will be made directly to the financial aid office at each college on the student's behalf.

The students will provide us with this information and all disbursements will be made prior to June 30, 2015.

No disbursement will be made until the student has provided the club with this information.
