The Uniform Commercial Code indicates that a stop payment cannot be placed on a lost, stolen or destroyed check and a new check reissued until 90 days after the original issue date of the check. CUSoCal does not place stop payments on Cashier's Checks in the case of a dispute.

After 90 days, a stop payment may be placed and a check reissued. Only the individual who purchased the Cashier's Check, or the individual the Cashier's Check is made payable to, can request that a stop payment be placed. A fee is charged for this service, as stated in the Fee Schedule.
