

District Grant Report

Rotary Club: San Juan Capistrano
Project Title: Scholarship Funds P-725

Progress Report Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?
District grant funds of \$2000 were matched with our own club's funds to provide four \$1,000 scholarships to students involved in the Interact Club at San Juan Hills High School. Our club has funded scholarships at local high schools for quite a few years but this year desired to get District funds to allow for more scholarships. Four students (Jackson Lanigan, Kayla Syedjafari, Kaina Van Zanten and Arushee Srivastava) were selected and they and their parents were recognized at our April 22, 2015 Rotary meeting. Each student made a brief presentation about their background, their involvement in Interact and the community and their plans for the future.

2. How many Rotarians participated in the project? 4

3. What did they do? Please give at least two examples.
A Scholarship Committee of 4 Rotarians and the SJHHS Interact Advisor (1) solicited applications from the seniors in the Interact Club and then (2) met and reviewed the resumes before making the final decision.

4. How many non-Rotarians benefited from this project? Only those who worked alongside the students

5. What are the expected long-term community impacts of the project?
Several of the students expressed an interest in completing their college degrees and coming back to the community and getting involved in local service clubs such as Rotary.

6. If a cooperating organization was involved, what was its role?
As was mentioned above, we dealt closely with the San Juan Hills High School staff and advisors in selecting the students.
