5. How has your Club or community been impacted by this grant?

(Check all that apply)

Involvement of Rotarians in our Club in humanitarian grants has increased.

Our Club's international Rotary networks have been strengthened.

Annual giving to the Rotary Foundation in our Club has increased.

Club membership has increased.

Our Club's awareness of the needs in our community has increased.

Participation in a District Grant has not changed our Club in any significant way

Others: Veterans (for those that were there that day) were so excited and greatly appreciated what we did for them. For many days to follow, emails of thank you's, passed along from the SEICAA Advisor, were shared. We truly have no idea how this makes them feel, to just be able to wash and cook for themselves. Daily chores that we whine about.

6. Given your experience, please provide any suggestions you believe would improve District Grants and the process to receive and implement them. I believe my issue is the program itself. As was explained to me, this is a new system and we are all getting to know it. So maybe some training at PETS would be helpful. I do not know why I have had issues the last 2 years, but I would hate to see a project not get any support over a technical matter.
