Dear McCall Rotary Club,

On behalf of the Board of Directors, staff of volunteers, and participants of Adaptive Wilderness Sports of McCall (AWeSOMe!), I would like to express my appreciation for your donation of \$1000. Your donation will help fund our scholarship program to assist those unable to pay for adaptive ski lessons.

The AWeSOMe! program was started in January, 2002 at the Little Ski Hill under direction of Payette Lakes Ski Club to teach skiing to people with disabilities as a lifetime leisure skill and to prepare people to ski as independently as possible. Since then, it has offered year-round programs and outdoor adventures in alpine and cross-country skiing, snowshoeing, adaptive bicycling, tree-climbing, canoeing, kayaking and white water rafting, as well as summer day- and overnight-activity camps. Since its inception in 2002, AWeSOMe! has maintained a nonprofit status and has been run by volunteers and this year also a seasonal program coordinator, whose mission is to empower people of all abilities through high quality outdoor experiences. In 2009 the program became a member chapter of Disabled Sports USA.

AWeSOMe! is a charitable, non-profit organization as defined in the Internal Revenue Service Code Section 501(c)(3) and receives funding through grants, fund raising events, donations, and modest activity fees. AWeSOMe! offers partial and full activity fee waivers to those unable to pay activity fees.

Your donation is tax deductible and helps support the AWeSOMe! program, enriching lives of people with disabilities and their families and friends as they learn and enjoy the skills of outdoor adventure in a supportive environment. Thank you, once again, for your donation.

Sincerely,

Ingrid Burica

President, AWeSOMe! Board of Directors
