3. Briefly describe the grant and list any changes that might have occurred (100 words or less).

AWESOME(Adaptive Wilderness Sports of McCall) provides recreational experiences to kids/adults with physical and/or cognitive disabilities. It was developed in 2002 to serve the rural communities of Valley & Adams County, Idaho where programs were lacking. With the Grant dollars and the club's matching dollars we were able to sponsor two weekends up at Brundage Mountain.

4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded projects:

With the Rotary sponsorship, through the AWESOME program, people with disabilities were able to recreate, enjoy the outdoors and learn to become more independent in developing their physical skills. Rotary along with other local businesses and charitable groups helped fund this important program so that children and adults with disabilities are not turned away. Through sports, people with disabilities gain abilities that increase self-confidence, independence and mobility. This in turn promotes an active lifestyle and social development and increases prospects for employment.
