**Rotary District 5340**

**Rotary Foundation District Grant Final Report**

Deadline for submission: March 31, 2011

Must be filed electronically on: <http://www.matchinggrants.org/district/>

Grant Information (to be completed by District Grant contact)

1. District Grant # (check website for #)766 \_\_\_\_\_
2. Name of District Grant\_\_\_Digital X-ray Developer\_\_\_\_\_
3. Briefly describe the grant and list any changes that might have occurred (100 words or less. The grant purchased a superior imaging machine for use in the St. Leo's (free) Dental Facility, replacing an old one that had limited capability. The cost of the imager that had been proposed increased during the months between proposal and when the order was placed. Money was raised to cover the increased cost. The old machine being replaced will be given to a free clinic in Mexico where an imager of any age is badly needed.
4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded projects: We learned the necessity of staying in close contact with the recipient once the check was received to be certain that implementation of the project takes place in a timely manner.

5. How has your Club or community been impacted by this grant?  
(Check all that apply)

Involvement of Rotarians in our Club in humanitarian grants has increased.  
 Our Club's international Rotary networks have been strengthened.  
 Annual giving to the Rotary Foundation in our Club has increased.  
 Club membership has increased.  
 Our Club's awareness of the needs in our community has increased.  
 Participation in a District Grant has not changed our Club in any significant way  
 Others: A visit to the Clinic will be made by our members to publicize the Rotary connection to the gift of a new, fast and efficient dental imager. Hopefully there will be a picture published in the local papers.

6. Given your experience, please provide any suggestions you believe would improve District Grants and the process to receive and implement them. I'm happy with the process now that I've learned it. However, I feel that all Clubs need to have a singular chairperson (could be the President) who is to be contacted *prior to any Grant being allowed to be posted on the mg.org website!* This would prevent multiple Aves of Service chairpeople who might not be in contact with each other +from accidentally applying for grants when DDF money available from the District is limited.
