Last year the La Mesa Rotary was able to hold a competition at Rolando Elementary School for the 3<sup>rd</sup> graders. They had an essay contest to write about how they would make the world better and have more peace. The kids thought that the winner would receive a new bicycle. However they did not know that everyone who wrote an essay would receive a bicycle. The bikes came unassembled, so we had ten Rotarians and ten non-Rotarians put them together before the school assembly, so it became a community group project for these kids.
