Rotary District 5010
Matching Grants Officials

Re.: P-782 Railing of Rotary Beach

Attached is our next to final summary of expenditures for this project. We have since spent the \$166.31 remaining on wood to refurbish our Club trailer. This trailer is available to the club for projects and is primarily used for our annual 4th of July Float in the annual Ketchikan Parade.

As of this writing, our Club Secretary has been called to attend to family needs in the lower 48. The documentation confirming our invoices and checks written to cover the invoices and receipts is in her computer. We are not sure currently, when she will return to Ketchikan, but when she does, we will provide these documents to you.

Until then, please accept these as our final reporting. If you have any questions or problems with this, please let me know.

Thank you,

Christopher L. Baca
