Project Title:	Dictionary Project (Pocatello, Idaho)		
Progress Report: (Do Within 12 months of grant approval)		Project Completion Date:	May 31, 2014

1. Describe your project. What was done, when and where did the project activities take place. If this is a progress report, what remains to be done?

Educational project for youth. Dictionaries were procured for all third graders in the Pocatello-Chubbuck School District 25 (Idaho). Dictionaries were presented in classrooms in elementary schools in April-May 2014.

2. Who were the beneficiaries, how were they impacted, how many where impacted by this project and what humanitarian needs were met?

Beneficiaries were individual students, their families, their classes and teachers. Dictionaries help literacy development, an Idaho state learning objective. Some students reported that the Rotary dictionaries are the only books they personally own. Teachers use dictionaries in class work. Over 1,000 dictionaries were presented.

3. How many Rotarians participated in the project and what did they do? Please give at least two examples, not including the financial support provided to the project.

2-3 Rotarians visited each of the 14 elementary schools in Pocatello so about 35 Rotarians were involved in transporting, delivering and distributing dictionaries. Rotarians talked to each third grade class briefly about what a service club is and what Rotary does in the community and world. Representative students were asked to look up words. Each student, including those absent, got a dictionary and Rotary handshake. The few excess dictionaries were presented to school libraries. Members of all four greater Pocatello Rotary clubs participated in dictionary distribution. Pocatello Centennial and Pocatello Rotary clubs contributed financially to this project supplemented by District 5400 funds.

4. If a cooperating organization is involved, what is it's role?

The Dictionary Project <https://www.dictionaryproject.org/> has helped over 66 million students to become good writers, active readers and creative thinkers by providing students a gift of their own personal dictionary. Dictionaries were provided with a Rotary certificate inside each dictionary.
