Rotary International

District 5630
Grant Committee
Grant P-814

Grant Committee;

This letter is a formal documentation to support the use of our \$1000 McCook Skate Park Grant Funds. We provided the funds for the project to the McCook Community Fund for the purchase of a single component of the park, the southeast hip, which is a specialized incline ramp, approximately 3' x 4'. The corresponding checks will be attached.
