Anchorage East Rotary Grant – PET Kansas
PETs for Guatemala

Dear Anchorage East Rotary,

Thank you very much for the Rotary Grant of \$ 9000 you gave us. This is to acknowledge the check (#3019) for \$ 9000 we received on February 22, 2016 to produce 30 PETs. On February 24, 2016 we sent a check to Hope Haven International for \$1500 designated for Hope Haven Guatemala for storage and distribution of the PETs.

We will enjoy meeting and working with Duff and his wife Kathy in Guatemala.

Again thank you for considering PET Kansas for your much needed Grant to build more PETs for those who can not walk.

Thanks
Kirby Goering
