Rotary Club: Soldotna
 Project Title: Tsalteshi Trails Outhouse

Project Description

- Describe the project. What was done, when, and where did project activities take place?
 Partnering with the Tsalteshi Trails Association we are building an outhouse at the Wolverine Trailhead. This public access trail system is highly used by the public. There were no restrooms on the system. With growing usage of the trails the need for a restroom facility has become obvious. The district grant money was used for equipment rental, site preparation, and setting of the tanks.
- How many people benefited from this project? >500
- Who were the beneficiaries, how were they impacted by this project, and what humanitarian need was met?
 The members of Tsalteshi Trails Association who use the trails year round, the local schools that use the trails for crosscountry running and skiing, other non-member community users, and visitors to the community that use the trails.
- How many Rotarians participated in the project? 20
- What did they do? Please give at least two examples, not including financial support provided to the project.
 Planning and preparation of the project with the Tsalteshi Trails Association Executive Director.

 Building concrete forms for the foundation of the outhouse.
- If a cooperating organization was involved, what was its role?
 Tsalteshi Trails Association. TTA filled the role of overseeing and planning the project, ensuring the engineering was up to code and specifications, scheduling the work, ect.
