

## Addendum to Final Report of 12-1-15

3. In addition to the first house construction completed in November 2015, RB Sunrise contributed the remaining DDF (\$300) to the construction of a second project completed on March 12, 2016. The contributed DDF was combined with additional RB Sunrise Funds amounting to \$5300 for a total of \$5600. Pictures of the second construction project are shown on the Photo Tab.

3a. Further, because of rain on the second house construction date only 2 RB Sunrise members participated in the actual construction of this house. Therefore, RB Sunrise members will be participating in a third construction project on April 16, 2016. However, funding for this project is provided by other sources.
