Fullerton, CA 92836

To Whom It May Concern,

Fullerton School District appreciates its partnership with the Rotary Club of Fullerton through the financial support of dental clinics held each year at several of our school sites. Fullerton School District plans to continue its partnership by providing space for the clinic to be housed at Orangethorpe School during our 2015/2016 school year. The principal of Orangethorpe School will be involved and work with the Rotarians to ensure that the dental clinic run smoothly.

I am appreciative of the partnership that helps to provide a much needed service to our students and the local community. I have personally visited the clinics during past school years and value the wonderful service provided to the students who participate in the clinic.

Thank you on behalf of the Fullerton School District and our Board of Trustees.

Respectfully,

  
Robert Pletka, Ed.D.  
Superintendent
