Project Title: Rotary Dental Clinic

Progress Report       Final Report

- Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?  
 50 children in grades 2 through 8 who do not have dental insurance received dental care - check ups, fillings, cleaning and fissure sealants. Parents and children were counseled on proper dental care. The project was at Orange Hope Elementary School in Fullerton on March 19, 2016.
- How many Rotarians participated in the project?  
 6 Rotarians helped at the clinic. 1 other Rotarian assisted in sending grant request via March 19, 2016.
- What did they do? Please give at least two examples.  
 Rotarians set up and took down the Easy Up and helped with the food for the volunteers.
- How many non-Rotarians benefited from this project?  
 50 children and several parents benefited from the project.
- What are the expected long-term community impacts of the project?  
 The students will have healthier teeth, better general health, and be better prepared to study. They will have fewer urgent care problems in the future.
- If a cooperating organization was involved, what was its role?  
 The Ayuda Dental Clinic provided volunteer dentists and dental students. The Fullerton School District provided the site and rooms for the project.
