

District Grant Application

3. Project Budget:

(Attach a complete project budget. List all revenues and expenses. These amounts MUST balance.

If the goods and services are to be purchased from an international source, is the budget properly calculated in US dollars?)

Total Budget is estimated at \$4,600.00 as follows
Fees to Sea Base: 240x15=3600, Transportation: 240x4= 960 Misc. Expenses allocation: \$40

4. Grant Funding:

(How much will clubs be contributing? Club contributions must be equal or greater than the amount requested from the District.)

6. Other Support:

(What other in-kind contributions, discounts or financial support are you getting for the project?)

7. Other Involvement: *(What other groups or organizations will be involved and how will they be participating? Attach participation letters from any non-Rotarian organizations partnering in the project.)*

We have to pay Sea base \$15 per student and Santa Ana School transportation billing of about \$4 per student.

8. Club Participation:

(Show active involvement of the Rotarians in your club. How many club members will participate and what will they do?)

Rotarians will attend the classes, take the trip to the bay and museum and participate in all aspects of the day's activities. They will also guide and assist the students with their hands on projects and analysis.

9. Who are the Beneficiaries:

(Who are you serving and how?)

The program is offered to second and third grade students attending Franklin, Hoover and Taft Schools in Santa Ana. Parents and teachers also attend. Rotarians work hand in hand with participants.
