3. Project Budget:

(Attach a complete project budget. List all revenues and expenses. These amounts MUST balance.

If the goods and services are to be purchased from an international source, is the budget properly calculated in US dollars?)

Club and District funds will cover the cost of buses from the Whittier City Elementary schools, \$2,700, and from Santa Fe Springs Christian, \$300. If either of these require less than projected, the balance of the \$3,000 will be applied to other costs

4. Grant Funding:

(How much will clubs be contributing? Club contributions must be equal or greater than the amount requested from the District.)

Club(s) Contribution	District DDF	Total
\$ 1,500	\$ 1,500	\$ 3,000

5. Participating Clubs:

(If other clubs will be participating in this project, list each club and its contribution.)

6. Other Support:

(What other in-kind contributions, discounts or financial support are you getting for the project?)

7. Other Involvement: *(What other groups or organizations will be involved and how will they be participating? Attach participation letters from any non-Rotarian organizations partnering in the project.)*

Members of the Rio Hondo Symphony Association organize the concert and also assist on the concert day. This is an annual event of RHSA and the third year that we have provided support.

8. Club Participation:

(Show active involvement of the Rotarians in your club. How many club members will participate and what will they do?)

Five or more WSR club members will assist in the unloading and reloading of the school buses and ushering during the concert. WSR members who participated last year reported that the experience was very energizing.

9. Who are the Beneficiaries:

(Who are you serving and how?)

Over 2,000 elementary students primarily from Whittier City Elementary and the Little Lake School District in Santa Fe Springs will attend. Both of these districts have large numbers of low income and English language learning students.
