

Villa Park High School ChemClub Chapter  
The American Chemical Society  
June 6, 2015

To Whom it May Concern-

VPHS ChemClub will participate and interact with students during the spring workshops in Science Literacy sponsored by Villa Park Rotary Club. Our demonstrations and activities in the elementary schools are part of our agenda as well as having guest speakers (professors and working chemists) as guest lecturers.

Thank you for your time.

Karen Pham  
2015-16 President  
Villa Park High School ACS ChemClub
