Brief Project Description:

Our Vocational Day Symposium offers students a chance to gain knowledge and insight into how to make one of the most important decisions of their life. Through messages of hope and inspiration, they were not told "what" to choose as a vocation, but they were shown through real life experiences "how" to choose their vocation.—how to follow their passion. They were shown how their choices and attitude determine their destiny, not their circumstances. The day gave the students a chance to discuss the "real world" with Rotarians and successful entrepreneurs.

1. Project Start and Ending Dates:

(Projects may not begin prior to the District receiving approval from TRF. Reimbursements for earlier expenses are not eligible. Projects must be completed by the end of each Rotary year.)

2. Project Location: Community International

(If the project is international, will there be a Rotary club from the other country involved? If so, explain how they will participate.)
