

District Grant Report

Rotary Club: Monarch Beach Sunrise

Project Title: Vocational Day

Progress Report Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

Our mission was to inspire and educate through presentations, participation and experience. First the students checked in and had a breakfast catered by the Aliso Niguel High School Culinary Arts department. About 20 high school students obtained vocational experience catering this event.

Vocational Day 2015 is a morning program designed for high school juniors and seniors where they hear from prominent leaders in the community about their careers and leadership. This year we held the morning at the Capistrano Valley District office board room. This was the first time many of these students had ever seen the district office that oversees their schools! We had a warm welcome from our Rotary Club President who explained what Rotary is and how they could get involved. The Superintendent also spoke briefly followed by three incredible speakers. The students asked great questions, participated in raffles during the breaks and were treated to a delicious breakfast prepared by the schools own Culinary Arts Program! It was a really great experience for students in the culinary program to have this opportunity as many of them are looking for this as a career path!

A portion of the Vocational Day funds are used for the pizza and snacks served at the Interact meetings. The Interact Club discusses Vocational topics at most meetings.

Our past president took 3 Interactors to the World Peace Conference.

2. How many Rotarians participated in the project?

40

3. What did they do? Please give at least two examples.

Planning and coordinating the event.
Sitting at the tables with the students and providing mentoring to the students.
Mentoring the students during the breaks.
Presenting "What is Rotary?".

4. How many non-Rotarians benefited from this project?

50

5. What are the expected long-term community impacts of the project?

These students have learned that anything is possible! They now have one more step of preparation for figuring out what they want to do with their life.

6. If a cooperating organization was involved, what was its role?

The School District provided 4 school busses and their district board room so we could accommodate a busload of students from each of the schools. As a result of this program and the relationships, many of the students have gone on to become Interact Members and volunteers for our special events.

Financial Report – Be sure that Income equals Expenditures!

7. Income

1. District Grant funds approved by the District	\$2,346.00
2. Club contribution	\$1,862.41
3. Other funding (specify)	
Total Project Income	\$4,208.41

Amount

8. Expenditures - please be specific and add lines as needed - receipts must be attached

1. ANHS Culinary Arts	\$2,475.00
