

District Grant Report

Rotary Club: Irvine

Project Title: Rancho El Faro Computer Lab

☐ Progress Report ☒ Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?
Irvine Rotary Club furnished a Computer Lab for an orphanage for teen girls in Valle de Guadalupe, near Ensenada. The beneficiaries are 20 girls ages 14 – 18 from Rancho El Faro Orphanage.

2. How many Rotarians participated in the project?
12 Rotarians from Irvine Rotary Club visited the orphanage and helped set up the furniture and the computers.

3. What did they do? Please give at least two examples.
The Rotarians from Irvine visited the orphanage and set up the furniture for the lab. They also brought computer equipment and help set that up. They interacted with the children at the orphanage and mentored a few of them.

4. How many non-Rotarians benefited from this project?
20+ girls at the orphanage

5. What are the expected long-term community impacts of the project?
The long term impact on the community is to help the residents of the orphanage to do research and homework in the computer lab, as well as learning valuable computer skills for the future. Several of the residents are planning to go to university so being computer literate is a very good advantage. The computer lab is a learning center that will serve the orphanage and the community for years to come.

6. If a cooperating organization was involved, what was its role?
The cooperating organization is Corazon de Vida. They facilitated the Rotarian Trip to Valle de Guadalupe and helped the interaction with the orphanage.
