

**District Grant Report**

Rotary Club: Newport Beach Sunrise

Project Title: Sea Base – Adaptive Sailing P-958

☐ Progress Report ☒ Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

The Newport Sea Base S.T.E.M Based Field Trip Program provided transportation funds for schools and students, the majority for the first time to experience maritime subjects in Life Science, Language Arts, Investigation and History Skills.

The Adaptive Sailing Program now known as California Inclusive Sailing provided therapeutic on the water outings for people with disabilities including Special Olympic athletes, children with Autism, people with spinal cord injury and Parkinson's Disease. With 47 sailing days completed we served 125 people directly, and built awareness of sailing's benefits through outreach activities in person and online to over 1000 people.

2. How many Rotarians participated in the project?

20

3. What did they do? Please give at least two examples.

Volunteers participated as chaperones and dockside physical assistants for people with mobility challenges.

4. How many non-Rotarians benefited from this project?

1500

5. What are the expected long-term community impacts of the project?

Building awareness of the wonders of the waterfront for educational excellence and how people with disabilities can be included as valuable members of society. Long term we expect yacht clubs and community sailing programs to become universally accessible and inclusive for people of all abilities.

6. If a cooperating organization was involved, what was its role?

The Newport Sea Base provided infrastructure and instructors.

Bahia Corinthian Yacht Club provided facility access.
