Brief Project Description:

Teachers at the local elementary schools will submit applications requesting funding for supplies to be used for special projects. The application will explain the project, how the funds will be used, and how the project will benefit students. A committee of club members will review the applications and award materials worth \$500 each to the 10-12 most worthy projects. Teachers will provide a bill of materials and AHRC members will purchase and deliver the supplies to the classrooms.

1. Project Start and Ending Dates:
(Projects may not begin prior to the District receiving approval from TRF. Reimbursements for earlier expenses are not eligible. Projects must be completed by the end of each Rotary year.)

9/21/2015 to 4/15/2016

2. Project Location: Community International
(If the project is international, will there be a Rotary club from the other country involved? If so, explain how they will participate.)

We will give 10-12 awards worth \$500 dollars, exact amounts will be determined after applications are reviewed.

4. Grant Funding:

(How much will clubs be contributing? Club contributions must be equal or greater than the amount requested from the District.)

8. Club Participation:

(Show active involvement of the Rotarians in your club. How many club members will participate and what will they do?)

6 or 7 members will be directly involved in visiting the schools, reviewing the teacher applications, purchasing and delivering supplies, and following up with the projects and teachers.

9. Who are the Beneficiaries:

(Who are you serving and how?)

Hundreds of students in the local schools will directly benefit from the projects once they are implemented.
