Brief Project Description:

This will be the second phase of our project at Orange high and a new project at Palmyra Elementary with the same emphasis of beautification at the elementary. Both school projects will involve new benches, trash receptacles, new plants and new paint while elementary will get couple of smaller projects.

1. Project Start and Ending Dates:

(Projects may not begin prior to the District receiving approval from TRF. Reimbursements for earlier expenses are not eligible. Projects must be completed by the end of each Rotary year.)

2. Project Location: Community International

(If the project is international, will there be a Rotary club from the other country involved? If so, explain how they will participate.)

At Orange High School and Palmyra Elementary School.

3. Project Budget:

(Attach a complete project budget. List all revenues and expenses. These amounts MUST balance.

If the goods and services are to be purchased from an international source, is the budget properly calculated in US dollars?)

\$14,000 = \$12,500 from Club & District DDF and \$1500 from Orange High School

4. Grant Funding:

(How much will clubs be contributing? Club contributions must be equal or greater than the amount requested from the District.)

Club(s) Contribution	District DDF	Total
\$ 6,500	\$ 6,000	\$ 12,500

5. Participating Clubs:

(If other clubs will be participating in this project, list each club and its contribution.)

6. Other Support:

(What other in-kind contributions, discounts or financial support are you getting for the project?)

Orange High School will be contributing approximately \$1,500 towards the project and we will work with local large box store for donations as well.

7. Other Involvement: *(What other groups or organizations will be involved and how will they be participating? Attach participation letters from any non-Rotarian organizations partnering in the project.)*

N/A

8. Club Participation:

(Show active involvement of the Rotarians in your club. How many club members will participate and what will they do?)

Goal is to have 25 Rotarians for each project.

9. Who are the Beneficiaries:

(Who are you serving and how?)

Two local schools with two different age groups and communities for those schools
