

Keeping with the mission of service to the Community, Rotarians contributed financial support to a Veteran of the US Military through partnership with the Salvation Army at Christmas.

International Rotary President **Gary C. K. Hung** was presented with the Club's unique Rotary Pin by President Bob Mendoza at "**Rotary Days**", where President Hung acknowledged Signal Hill in his speech before the assembly.

Club members decorated a car and marched in the **Martin Luther King Day Parade**.

Members raised funds for **End Polio** by attending the David Sanborn Concern.

Three students were selected from local schools to attend **Rotary's Youth Leadership Academy** in Wrightwood, CA; and the Club members donated over \$1000 to cover the cost of the program. Rotary Members Carol Churchill and her niece Samantha volunteered to work at the RYLA camp.
