Dear Damilola Idowu:

Congratulations! You have been admitted for Spring 2016 to the One-Year Master of Science in Information Systems program J. Mack Robinson College of Business. Your admission reflects not only your accomplishments but also our belief in your potential to become a successful graduate of the One-Year Master of Science in Information Systems program at J. Mack Robinson College of Business.

In order to secure your place in the One-Year Master of Science in Information Systems please [click here](#) to confirm or decline your acceptance. If confirming your acceptance, please pay the \$250.00 non-refundable Orientation and Programming Fee within 10 days of the date of this letter. New student information will be sent a month prior to orientation.

Again, congratulations and welcome to the One-Year Master of Science in Information Systems program at Georgia State University. I look forward to meeting you personally, hearing of your success in the program and keeping up with your accomplishments as an alum of which we will be most proud.

Sincerely,

A handwritten signature in black ink that reads "Toby McChesney".

Toby McChesney
Assistant Dean of Graduate Recruiting and Student Services
