Dear All, this is a wonderful piece of news, after more than four years of arduous efforts by all those concerned.

Our deep appreciation to all our international partners and Donors who actually contributed more than those of us in Nigeria and possibly other West African countries. That is the beauty of Rotary and a demonstration of this year's Rotary Theme ' Rotary Connects the World'.

Wherever PAG Akin Olawore is in the beyond, when he looks back and sees the coming into fruition of this project and the possible multiplier effects, after its implementation, his gratitude to all of you who made this possible cannot be estimated.

We now proceed towards the final stage and look forward to the implementation of this First of its kind project in our District and possibly our Region of Rotary International.

Once again, Thanks so much everybody.

Yours in Rotary Service,

Adewale Ogunbadejo
