CLIENT

ROTARY CLUB OF PORT HARCOURT, REBISI KINGDOM

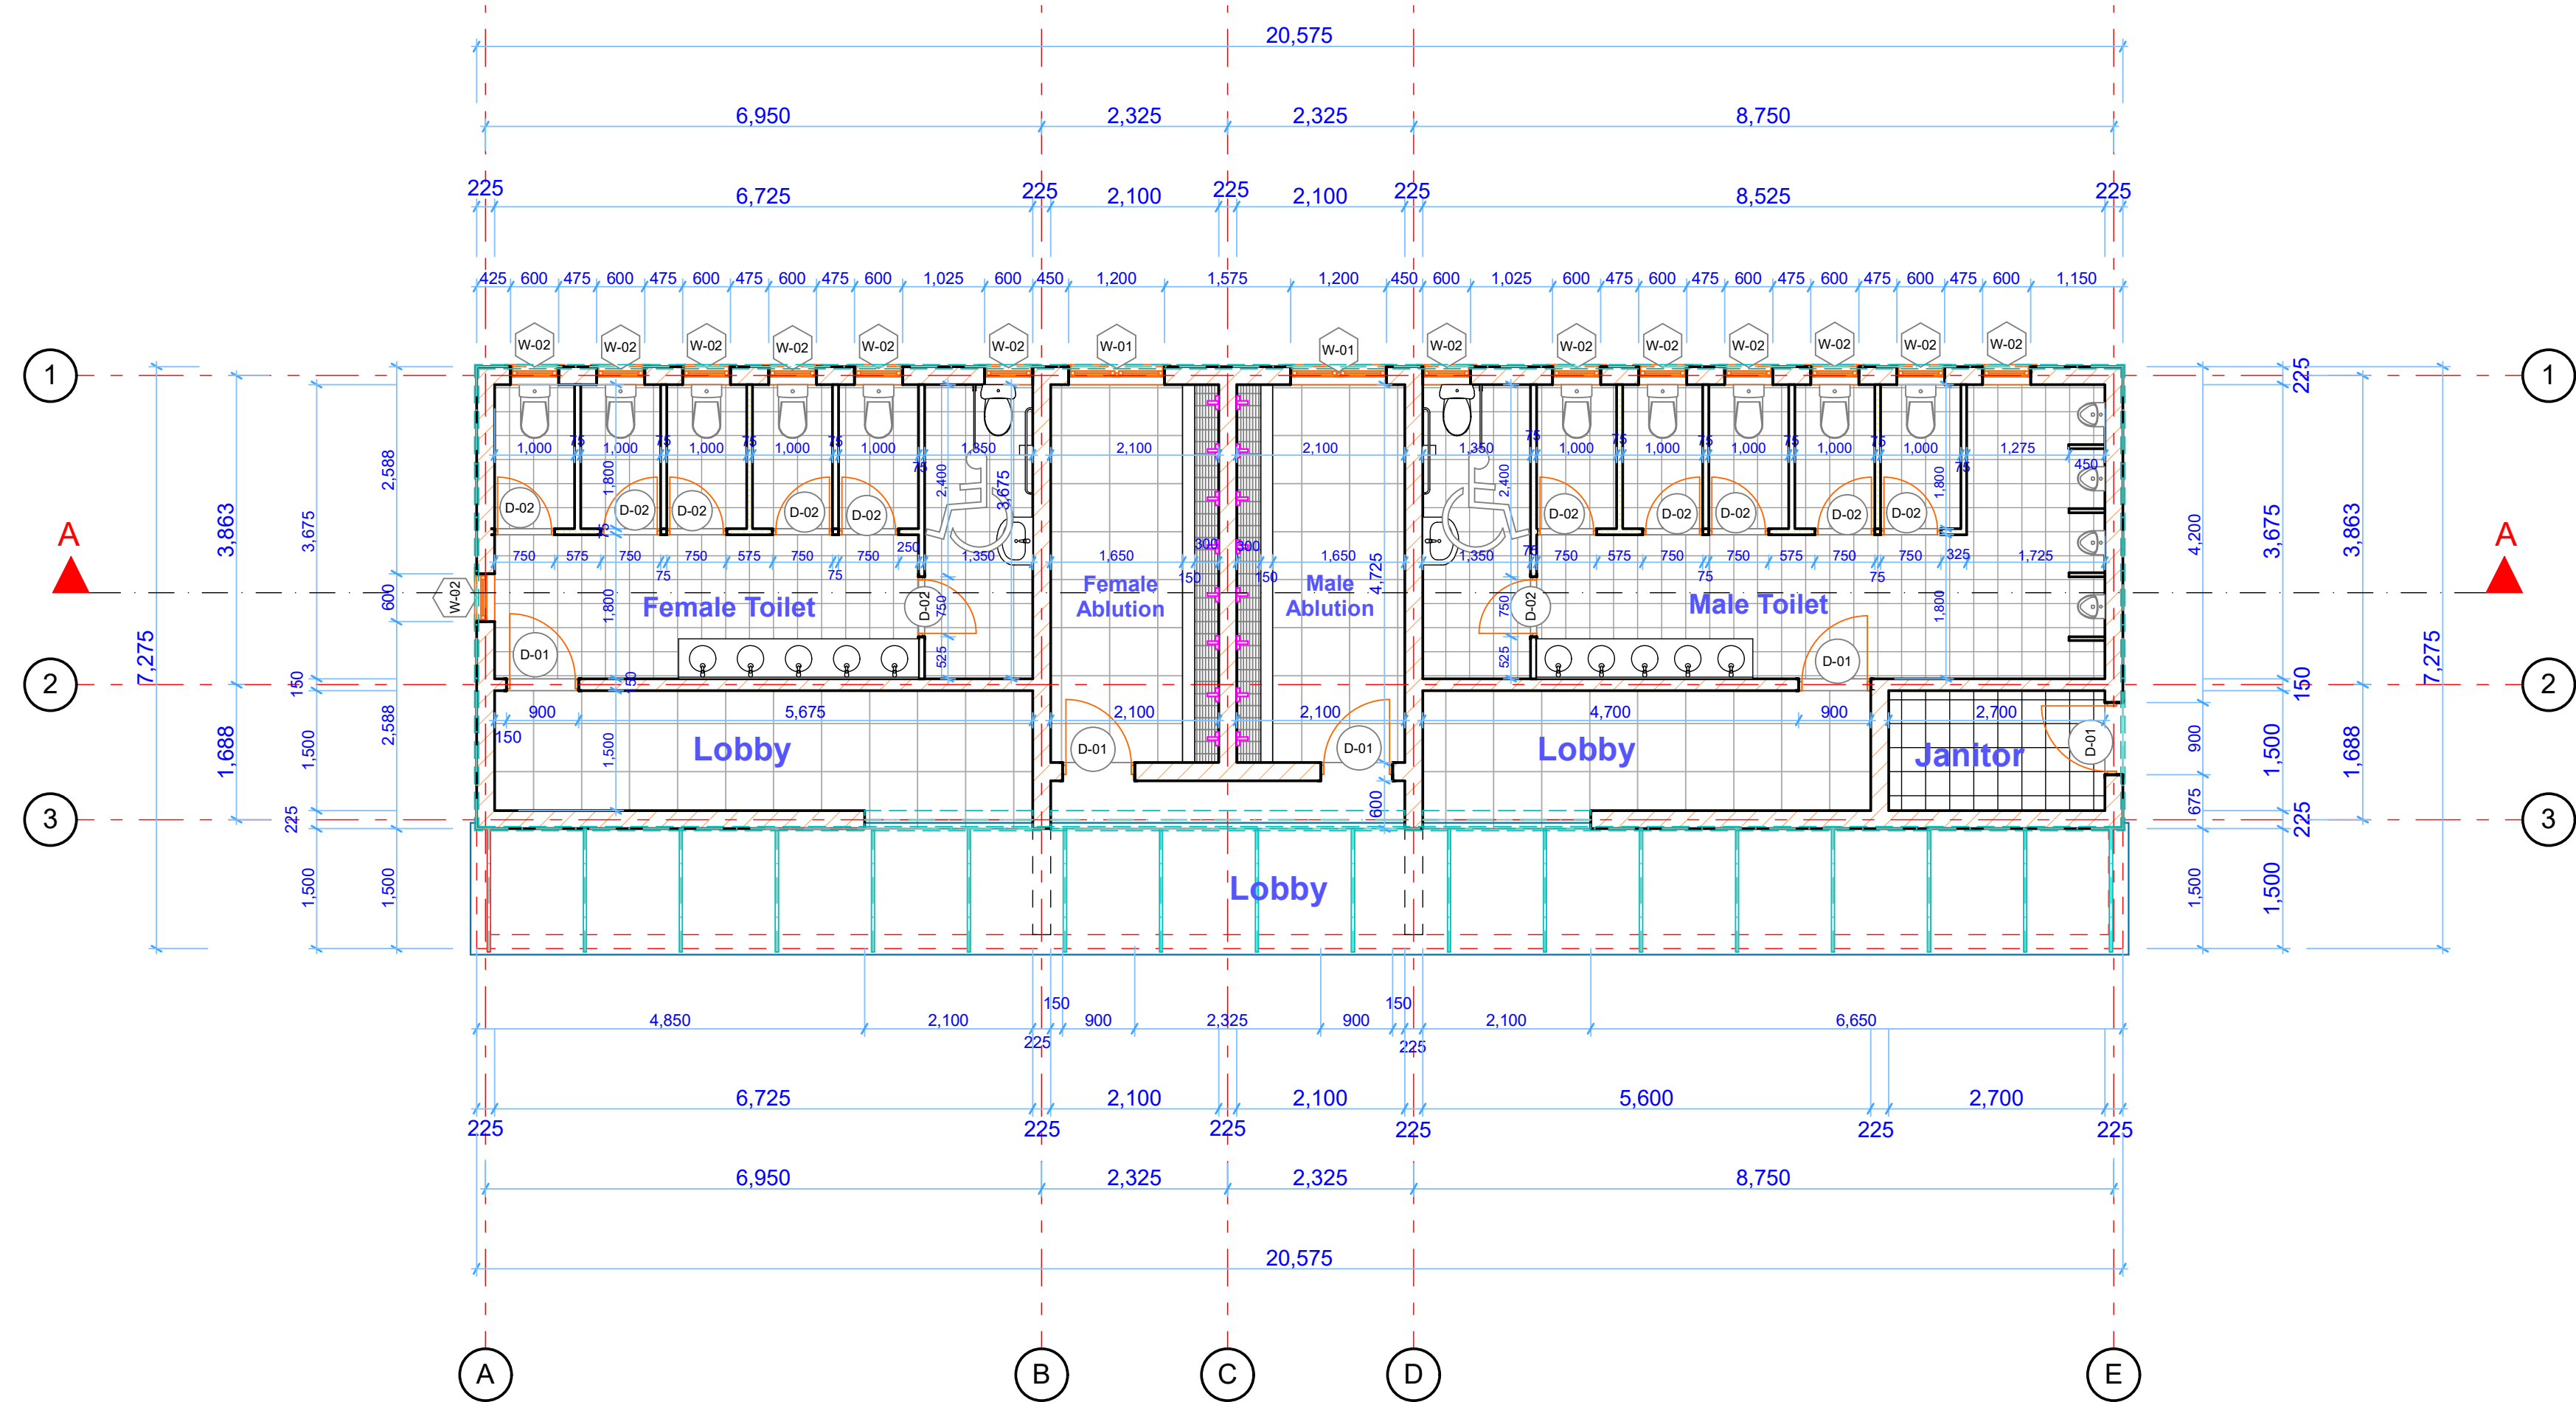

THE BRIEF

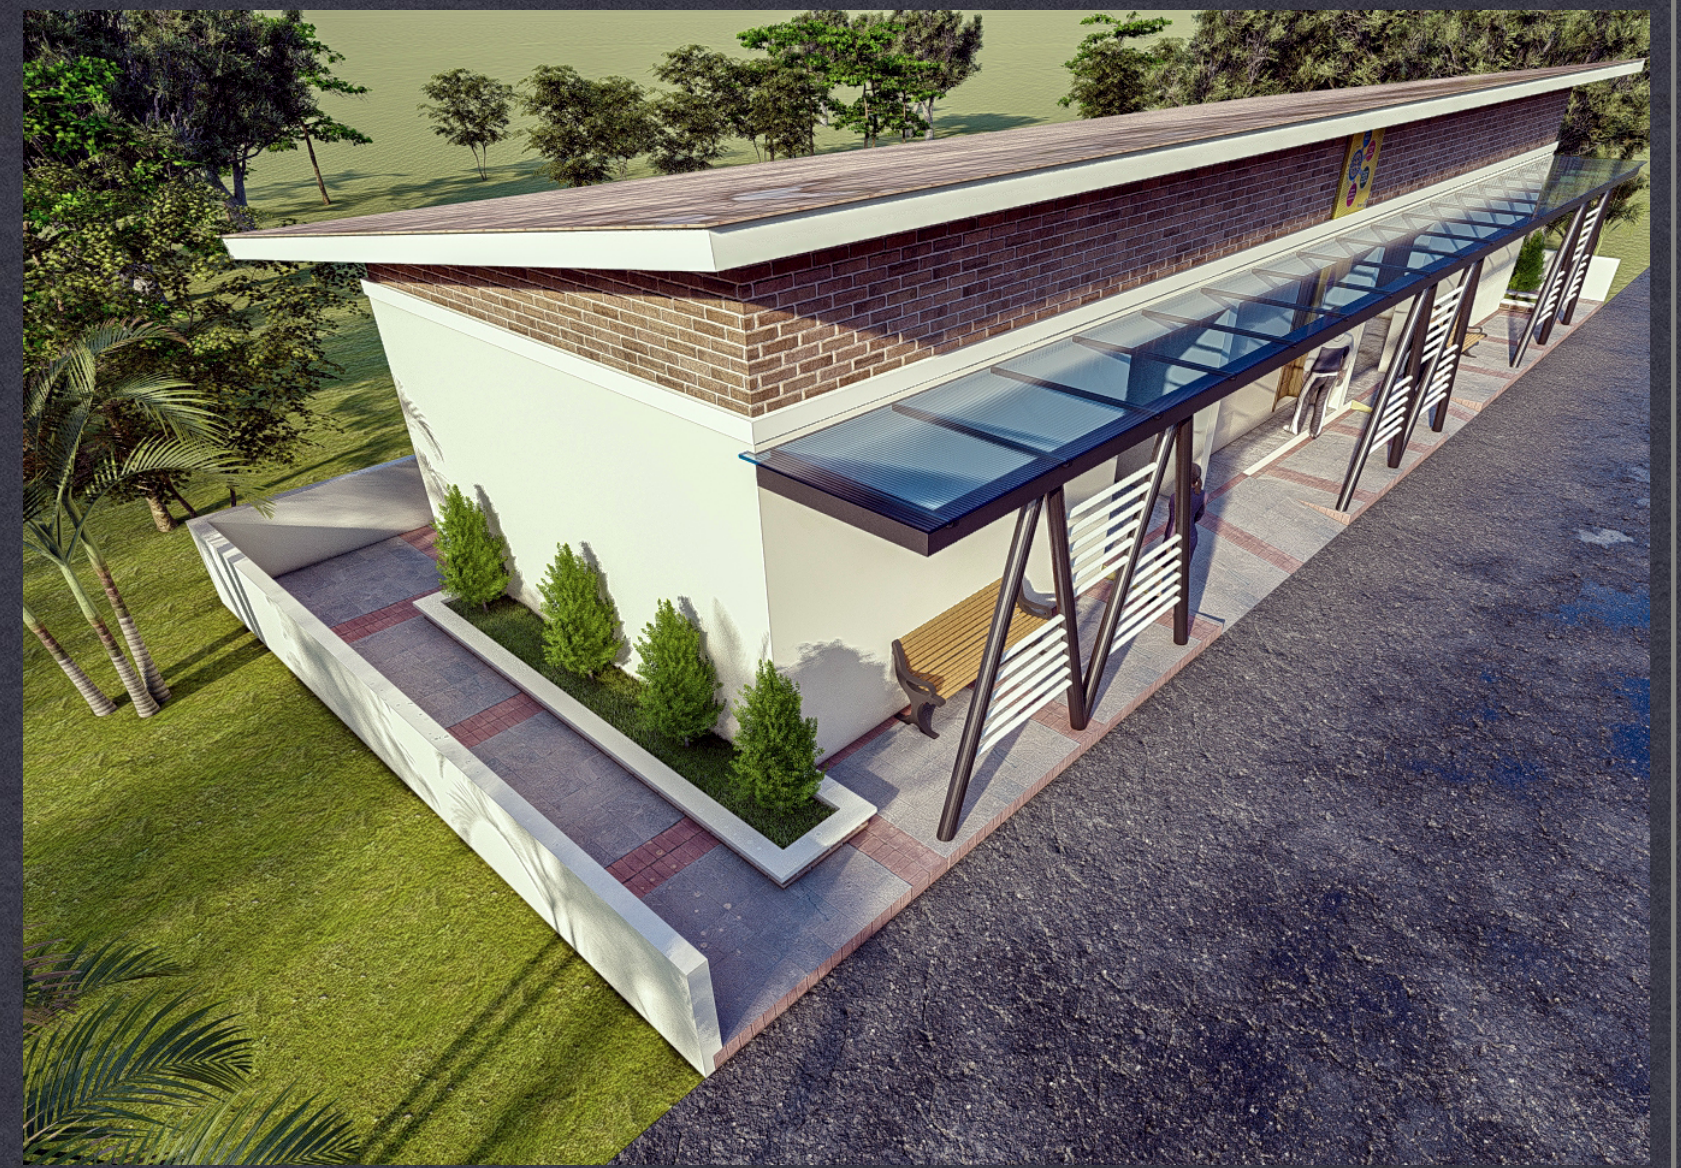

- ✦ Through its humanitarian obligations, the Rotary Club of Port Harcourt Rebisi Kingdom has decided to build an ultra-modern public lavatory facility at the Port Harcourt International Airport Omagwa, Rivers State. We believe it is a project that has a meaningful social impact on the end user. A public lavatory that meets international design standards while considering our dear nation's cultural and religious diversity.

THE PROPOSAL

- * The proposed design includes the spaces listed below;
- * Male lavatory
- * Female lavatory
- * ~~Ablution spaces for separate genders~~
- * ~~Lavatory for the handicapped~~
- * Urinals for males
- * Janitorial space
