

Testimonials from schools on RDEP System -

1. Mr.S.B.Thakar(Vice Principal)- Shri Vagheshwar Vidyadham, Mandavgan, Ph.no- 9767014179
We got topper of 94.05% in the SSC board exam this year and this is the highest record in the school's history. I think the credit goes to RDEP.
2. Principal, Abasaheb Atre High School, Somwar Peth, Pune, Ph.no- 26120449
We are thankful to Kompkin and Rotary club of Pune East for donating E-learning software due to which the result of std 10th is 86% this year and feel confident of further progress of the students.
3. Mrs Sharmila Salunkhe- Shri katoba Dive High School, Dive-Saswad, Ph.no- 9881495283
There is a remarkable change in understanding subjects like English and Mathematics due to RDEP.
4. Mrs N. P. Pawar- Mahatma Gandhi Vidyalay, Khanapur-Haveli, Ph.no- 9922945276
With the help of RDEP some complex concepts in science are understood easily. We are sure that it will bring tremendous change in the education system.
5. Mrs Manisha Pawar- Rashmi English Medium School, Phulenagar, Pune, Ph.no- 9271245699
Attendance of students is increased significantly as they enjoy learning with visual techniques which is easier to remember.
6. Principal, Laxmi Narayan Malu School, Jaisingpur, Ph.no- 02322-225416
Last year our students made maximum use of Kompkin software in studies and revision hence it resulted in a grand success of our std 10th as well as std 7th scholarship students. We appreciate the efforts and cooperation of team Kompkin and would like to thank them for the same.
7. Mr Gore- Gramprabodhini Vidyalay, Salumbre, Ph.no- 9623588183
E-learning software is advantageous and effective for students as it includes various methods of study patterns. Visual images are a big help to remember things which improves their observation skills and grasping power.

8. Mr Shivaji Navgire- Shivbhumi Vidyalay, Khed-Shivapur, Ph.no- 9881693522
We feel that RDEP is an education revolution that aims to contribute sustainable change to teaching and learning. While learning a topic of "Volcano", in geography it is understood better when the student sees it actually erupting on screen than just seeing a diagram in a book.

9. Mrs Sangeeta Shete- ZP Primary School- Londhemala, Manchar, Ph.no- 9960845414
Tests are conducted in an interesting manner and evaluation is given through games which results in increasing confidence of children.

10. Mrs Sheetal Javale- Erandwana Madhyamik Vidyalay- Karve road, Pune, Ph.no- 9766541419
Teachers find it easy to control many students at a time as they learn attentively and with interest. Teachers too are benefited from the option of hyperlinks as the queries of students can be instantly solved. They can assign projects to students with the help of these applications and students too can gain knowledge referring to the same. Many less privileged children of this school are enjoying the benefits.

11. Mrs Meghna Potdar- Mangdewadi School, Mangdewadi, Ph no- 9423016571
Due to RDEP, most of the irregular students are attending school regularly.

12. Mrs Smita Hole- Swami Vivekanand Vidya Mandir, Uralikanchan, Ph.no- 020- 26928089
This educational software is helpful for our teachers particularly for teaching correct pronunciations of the English poems. Overall learning has become interesting.

13. Mrs N. S. Gulumkar- Sumati Balvan, Katraj Pune, Ph.no- 9921980027
As less privileged children are more interested in playing and watching TV than studying, students started coming to school to watch TV ie to learn through E-learning and found it very interesting. Since learning has become enjoyable, it resulted in their overall progress.

14. Mr Achut Mane- Dr V. G. Paranjpe Vidyalay, Rahimatpur (Satara), Ph.no- 9860277007

With the help of RDEP it became easier to teach Mathematics and Science in semi English medium. Diagrams in Science, English grammar, computer education etc too became easier to teach.

15. Mr S. C. Jagtap- Shri Chatrapati Shivaji Vidyalay, Paud Pune, Ph.no- 9822359323

Std 10 students get useful information of different careers and courses through "Careers" application.

16. Manorama Kondhare- Pune Cambridge Public School, Dhankawadi, Pune, Ph.no- 9881027080

Teachers can teach without using text books. They can give immediate test to students once the chapter is over and students too are happy to give the test through games.

17. Mr Gawali G. S.- Smt Anusai Ovhal Secondary High School, Punawale, Mulshi, Ph.no- 9960432032

E-learning has created interest in children due to visual techniques and it has remarkably increased percentage of the students.

18. Mrs Bhagyashree Dixit- Shri Saraswati Vidya Mandir, Karvenagar, Pune, Ph.no 9890352724

More and more parents are trying for admission of their children in our school due to E-learning software.

19. Mr Nanaware- Z.P. School, Menavali, Ph.no- 9766081618

It has changed the mindset of parents towards education. Children are taking interest in studies now.

20. Mr K.S. Patil, Shri Padmavati Vidy Mandir, Urse, Ph.no 9850162736

Students like to learn with the help of the projector and enjoy the tests through games.

21. Mr. Shinde- Sou Venutai Chavan High school, Taradgaon, Ph.no- 02160-

243536

Both students as well as parents are very happy with this effective education system.

22. Shri Rajendra Jagtap- Maharshi Karve Stree Shikshan Sanstha, Kamshet, Ph.No- 9423215092

Fear of studies has reduced tremendously. RDEP has proved to be very useful for slow learners and shy students.

23. Renuka Shendge- std 5th- Kasturba Trust School, Saswad

We can read English now and find the grammar very easy and interesting.

24. Sonali Jadhav- Std 6th- Kasturba Trust School, Saswad

I can understand all the subjects better since we started learning with the help of the new computer in our school. Now I can do division in maths which I never understood before.
