Rotary Mobile Dental Clinic in the Dominican Republic - Tufts Dental School Clinic in San Felipe

Published on Jan 10, 2014

The Mobile Dental Clinic is a project funded by the Rotary Foundation, Rotary Club of Nashoba Valley, Rotary Club of Santo Domingo Innovador and 15 Rotary clubs in Massachusetts, Pennsylvania and Connecticut. The Mobile Dental Clinic brings dental health to 15 poor communities in the San Felipe area north of Santo Domingo in the Dominican Republic. Clinica SODHAIDESA is the partner that will operate the clinic. This video features the visit of the Tufts University Dental Team in August 2013.
